## SWIM SCHOOL

### Important Dates

Term 1 ends Sunday 17th Apr

Term 2 starts Monday 2nd May

### Holiday Program Dates

Apr 18th - 22nd

Jan 26th - 29th

### Welcome To Term 1, 2016

We hope that you all had a relaxing break away, and are enjoying the New Year.

It has been fantastic to see how many children have come back with more confidence after spending time in the water over the break. Please remember the importance of your child attending regular weekly or twice weekly lessons. Children who miss lessons or break over the cooler terms do not progress as well as those who are constant with lessons. Any skill not regularly repeated is not easily retained.

**Term 2, 2016**

**10 Weeks**

Mon 2nd May

To

Sun 10th July

**Term 3, 2016**

**9 Weeks**

Mon 28th Jul

### Term 4 Swim Stars!

Congratulations to our Term 4 Swim Stars

Marisol Sunbourg, Spencer Wharfe, Bryan Kang, Amelia Freeman, Anna Karpik, Claudia Brunskill, Finn Pralong, Isabella Coney, Adam Wong, Ryan Wooler, Scarlett McDonnell, Emma Owen, Kira Knuckley, Henry Barrell, Alex Nicholls, Michael Brown, Isaac Shand, Anita Patel-Smith

### Gold Award

King's Swim School recently underwent a rigorous audit of our systems and process from Swimming New Zealand.

We are very proud to have gained a **Gold Award** (the highest award achievable) as a Quality Swim School.

This program has been developed by Swimming New Zealand in partnership with Swimming Coaches & Teachers of New Zealand Inc and is a nationally recognised standard benchmark for defined best practice standards in the swim teaching industry.

We have always been confident that King's Swim School offers the best swim tuition and we are delighted to be nationally recognised by the Swimming Industry.

Your swimmers are in the best hands!

### Calling All Women!

Are you looking for an excellent full body, non impact work out? Then look no further than our Women's Swim Squad. Operating each week day between 10am & 11am this coached session is a great way to get fit and keep healthy. For more information call us now.

More than 300 School Pools have been closed over the past 10 years, we would like to thank our parents for acknowledging the importance of swimming lessons. With the drowning's for 2016 already being 19 - you are ensuring that your child is safe and can enjoy the many opportunities that water safety will provide for them in the future.

## T1 Staff Changes

New Staff—we are pleased to welcome aboard in Term 1:

Devon Tee Kiko Alex Sam William Freddy

We welcome back Josh from Week 4

Emma has been offered an exciting role for St Kentigerns which is much closer to home. We wish her all the very best and will miss Emma's always-cheerful and bubbly personality around the Aquadome.

## Parking and Access

Remuera Road gates may be locked due to construction works. The best place to park is along Portland Road, or one of the smaller side roads.

Access to the Aquadome is via Portland Road - Gate 9 (walk in).

## Easter Tuesday—March 29th

King's School observes an extra day at Easter and is closed on Tuesday March 28th - please note there are no swimming lessons on this day. This has been taken into account with your billing already.

## Video & Photography

Seeing your swimmer achieve a mile stone in swimming is always exciting and many parents like to video or photograph the moment. We do ask that you please check with the Supervisor before taking any video or photography as we have some families who prefer to not have their child in any images.

## New Term - New Goggles

We were inundated with new goggle purchases during the first week of Term.

As we like to personally fit each child with a pair of goggles, we encourage you either try to get goggles before the Term starts (the office is open during holidays) or ensure you leave plenty of time before your lesson starts to get goggles fitted.

## Chapel Service

Sun 13th March

## Internet Payment Identification

Thank you to those Families using the internet for their fee payment—this saves a lot of time at the beginning of lessons.

As our swim school continues to increase in numbers it is important that payments are allocated to the correct 'Smith' Family etc.

We appreciate your help in this regard.
