

ENDEAVOUR SCHOLARSHIPS - YEAR 7, 2022

Applications Close – Friday 7 May 2021

The Endeavour Scholarships are available annually to four boys of Maori or Pasifika descent.

Candidates must be due to complete Year 6 at the end of 2021, and be ready to enter Year 7 in 2022.

The Endeavour Scholarship Programme is designed for students who are actively involved in their culture, display leadership potential and have all-round ability. Applicants for this scholarship will sit entrance testing and go through an interview process which takes into account the overall ability of the student, his participation in cultural, sporting and community activities, as well as his school record.

As part of the application process, all applicants will be required to sit General Mathematics and Reading tests, take part in sporting activities and one-on-one discussions.

These will be held at King's School, 258 Remuera Road, on Tuesday, 18 May from **8.50 am to 2.30 pm**.

Once results are compiled, a shortlist of boys will be contacted and invited to attend an interview at King's School, together with their parents. Unsuccessful candidates will be advised in writing at this time. Please be aware that it can take up to three weeks for King's School to compile and analyse all results.

The Endeavour Scholarship is a financial scholarship that includes tuition fees, uniform allowance and other school-related expenses. The level of parental contribution will be independently assessed, and will be based on the current financial position of the family.

When submitting your application, please enclose a recent passport-sized photograph of the applicant, along with a copy of his most recent school report and a copy of his birth certificate.

In addition, you will need to ask the Principal of the applicant's current school to complete a "Confidential Schools Report".
